

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They like providing products that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills along with their understanding of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts obtainable when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their clients' cleaning machines ready and running day after day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cleaning expense. The service, the product and the price all work together to make them the leader in the business.
