

Nissan Forklift Part

Nissan Forklift Parts - Nissan takes immense pleasure in achieving complete consumer satisfaction, when their client is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and detail-oriented quality standards to their clients. Incorporating a rich heritage combined with solid production principals, Nissan lift trucks provide some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the company has four independent manufacturing facilities that permit them to constantly adapt to their customers continually evolving needs by offering an array of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using systems and procedures that minimize their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their customers require while being an environmentally responsive organization.

Nissan is quite convinced that any of their consumers inquiries and customer considerations directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
